A complete list of important writers includes hundreds of names - too many for a meaningful synchroptic display. The 130 writers and poets displayed here have been selected for their enduring importance.

For real Literati : Complete book texts from many authors can be downloaded from the [Gutenberg Project Page](#)

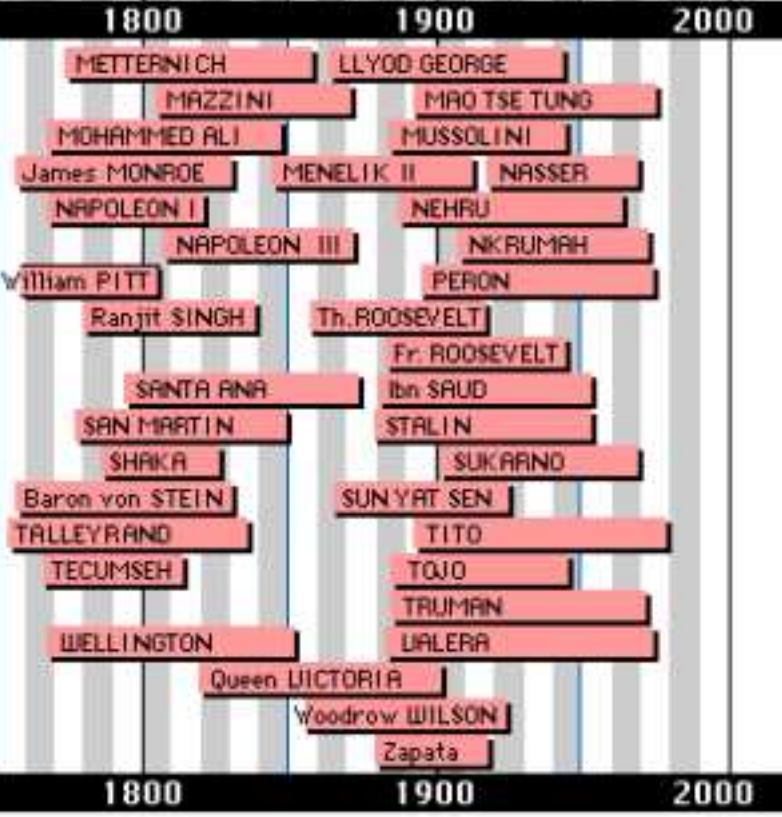

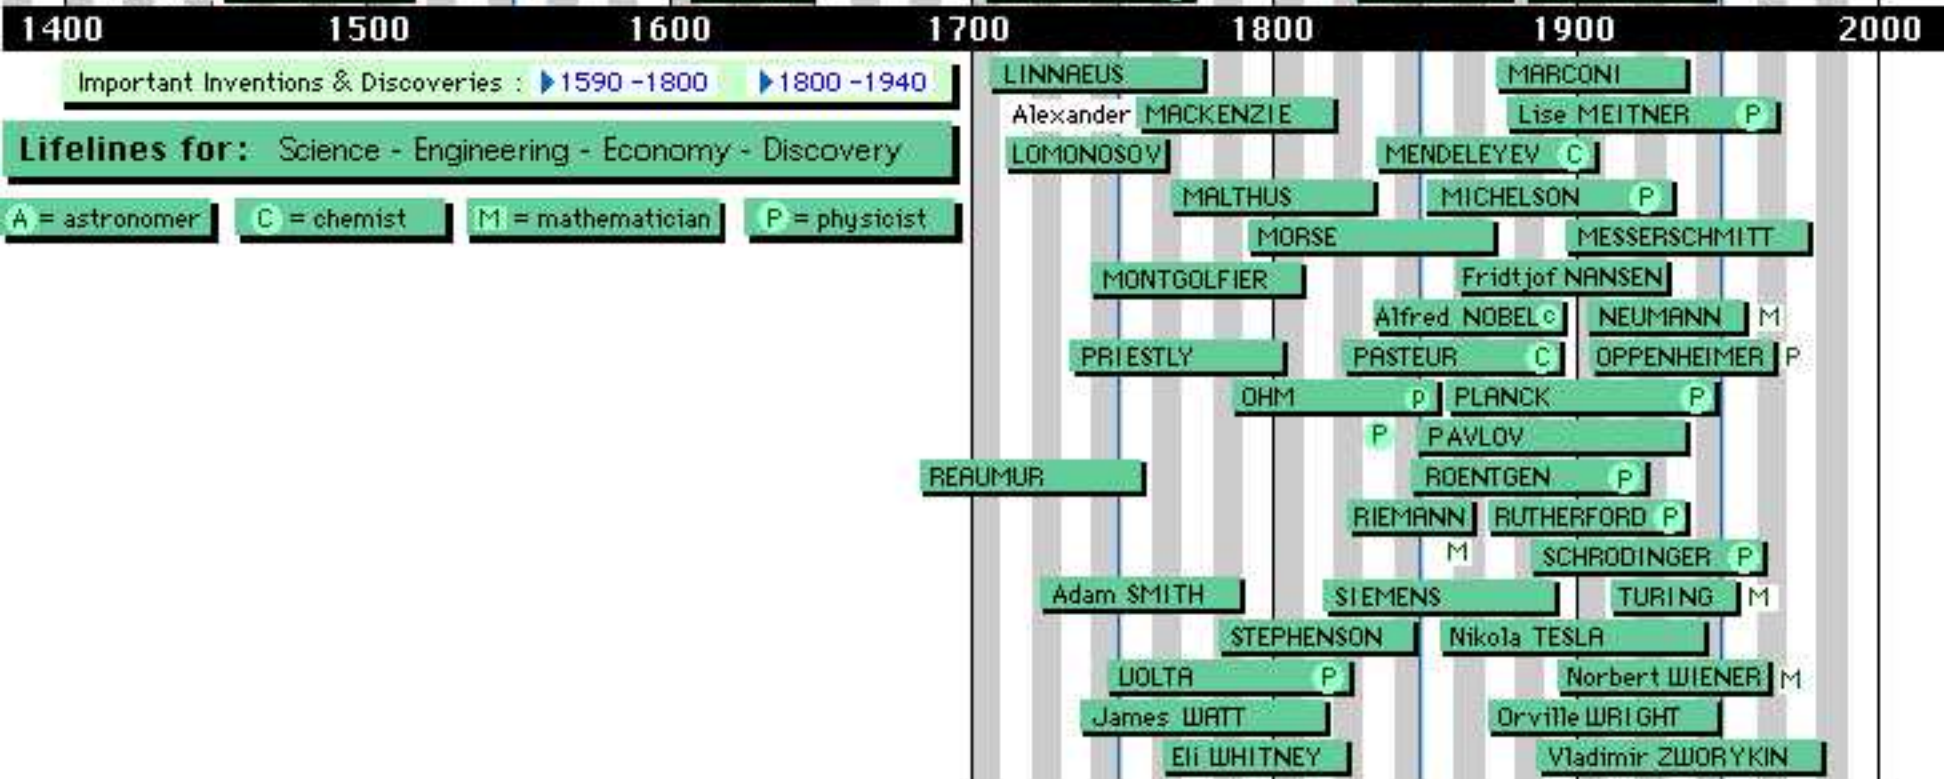

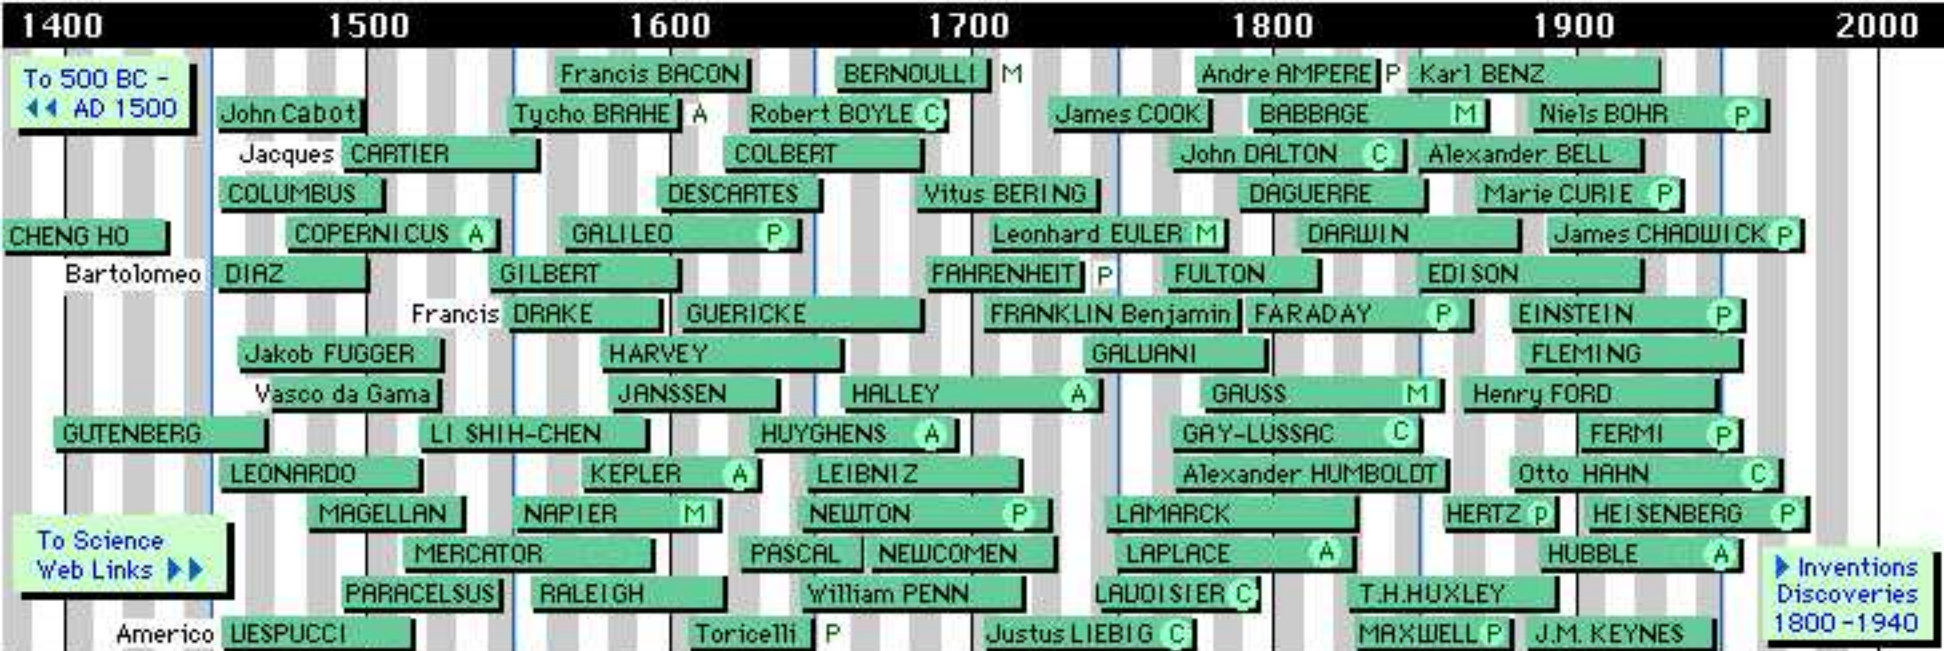

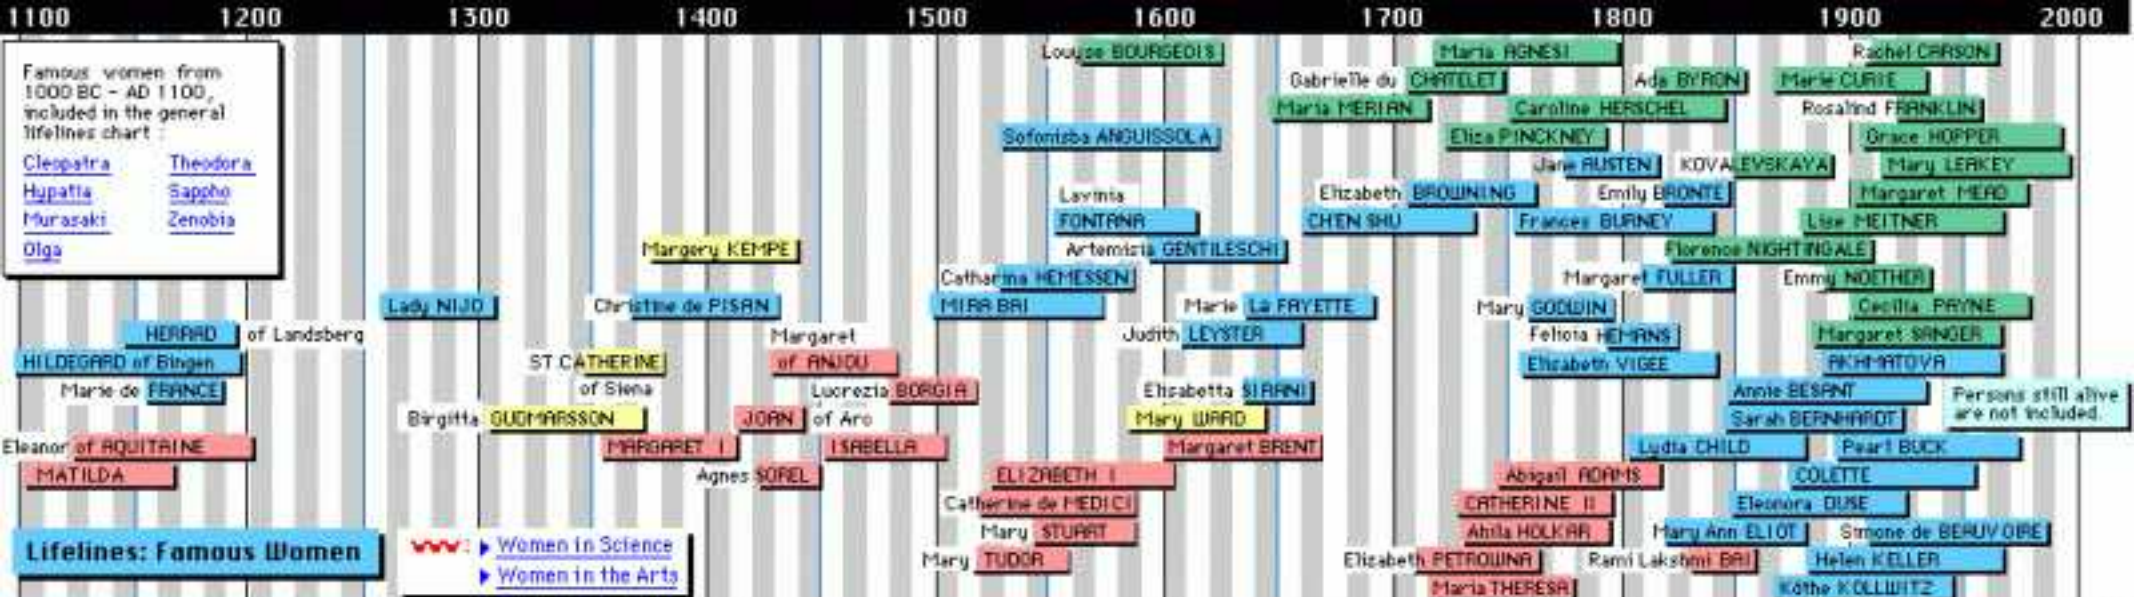

Lifelines : Politics

See also Lifelines in the 'People' section

Persons still alive are not included.

102 important Women. Some Women are also in several other Lifelines.
